My First Love, Dipsy 🦋

Our conversations, preserved exactly as they happened.

VOLUME VI OF VII

1 – 9 September 2026

ARCHIVAL NOTE

This book preserves a WhatsApp conversation between **Dipsy** 🦋 and **Ayush**, set in the order of the original export, from 28 June 2026 to 14 October 2026. It is published in 7 volumes. This is Volume VI: 1 – 9 September 2026.

Every message appears with the wording, spelling, punctuation, capitalisation, emoji and timestamp recorded in the export. Nothing has been corrected, translated, summarised, shortened or removed, and each message remains its own bubble. Dipsy's messages sit on the left; Ayush's on the right.

The export records Dipsy's messages under the sender name "Too Good To Last". In this book that name is shown as Dipsy 🦋; the message text itself is unchanged. The export's first two lines (the encryption and contact notices) are shown centred, as notices.

Timestamps are shown exactly as recorded (dd/mm/yy, 24-hour). Where the export lists a message slightly out of clock order, it is kept in its recorded position. Photos, stickers, voice notes and videos are not part of a text export; where they occurred, only the export's own text placeholders appear (for example *<attached: …>* or *image omitted*), set in italics. A small number of records are empty in the export itself and appear as empty bubbles.

The cover, this note, the contents, the day and month headings, the running headers and the page numbers are editorial additions and are not part of the conversation. This edition contains no explanatory reference notes.

This volume holds archive records 61,641 to 72,972 of 84,948.

Uska relationship 02/09/26, 18:45:47

Ayush
ow acch 02/09/26, 18:45:53

Dipsy
Like basically what happened 02/09/26, 18:45:57

Ki uska aur uske bnde ka breakup ho gya 02/09/26, 18:46:08

After 02/09/26, 18:46:09

Like sm misunderstanding 02/09/26, 18:46:15

But then they got back together 02/09/26, 18:46:37

Like after clearing things up 02/09/26, 18:46:47

Toh basically 02/09/26, 18:47:03

That bnda put a story 02/09/26, 18:47:12

When they broke up 02/09/26, 18:47:17

That they broke up 02/09/26, 18:47:23

Like wth but wtv 02/09/26, 18:47:28

Toh us bnde ki 02/09/26, 18:47:34

Bestie 02/09/26, 18:47:36

Came to her 02/09/26, 18:47:39

To ask ki kya hua ye wo 02/09/26, 18:47:47

Toh usne btya 02/09/26, 18:47:52

Then us bnde ki jo bestie thi they had a grp of 2 other guys 02/09/26, 18:48:19

Basically wo 4ro (her bf that girl and 2 other) were friends frm like more than 5 6 yrs 02/09/26, 18:48:48

They created a grp 02/09/26, 18:48:58

Without that her bf 02/09/26, 18:49:06

Of those three 02/09/26, 18:49:10

And were trashing talking about her 02/09/26, 18:49:26

But smhow she got to know about this 02/09/26, 18:49:42

(After their patch up) 02/09/26, 18:49:49

Toh usne apne bnde ko btya 02/09/26, 18:49:58

Ki aisa aisa bola inhonne 02/09/26, 18:50:05

Like this was during breakup 02/09/26, 18:50:19

Wo thi 02/09/26, 18:51:14

Usme uska bnda ni tha 02/09/26, 18:51:20

And us bnde ke 3no dost were trashing talking about my friend 02/09/26, 18:51:38

Ayush
huhh 02/09/26, 18:51:47

Jb ldki ne usko btya 02/09/26, 18:53:24
