VOLUME V OF VII

16 – 31 August 2026

# ARCHIVAL NOTE

This book preserves a WhatsApp conversation between **Dipsy** 🦋 and **Ayush**, set in the order of the original export, from 28 June 2026 to 14 October 2026. It is published in 7 volumes. This is Volume V: 16 – 31 August 2026.

Every message appears with the wording, spelling, punctuation, capitalisation, emoji and timestamp recorded in the export. Nothing has been corrected, translated, summarised, shortened or removed, and each message remains its own bubble. Dipsy's messages sit on the left; Ayush's on the right.

The export records Dipsy's messages under the sender name "Too Good To Last". In this book that name is shown as Dipsy 🦋; the message text itself is unchanged. The export's first two lines (the encryption and contact notices) are shown centred, as notices.

Timestamps are shown exactly as recorded (dd/mm/yy, 24-hour). Where the export lists a message slightly out of clock order, it is kept in its recorded position. Photos, stickers, voice notes and videos are not part of a text export; where they occurred, only the export's own text placeholders appear (for example *<attached: …>* or *image omitted*), set in italics. A small number of records are empty in the export itself and appear as empty bubbles.

The cover, this note, the contents, the day and month headings, the running headers and the page numbers are editorial additions and are not part of the conversation. This edition contains no explanatory reference notes.

**This volume** holds archive records 49,822 to 61,640 of 84,948.
**Source file** _chat.txt

Ayush

Dipsy 🦋
Why 20/08/26, 13:58:56

The thing is 20/08/26, 13:59:08

Ek toh we can do that plasma wala 20/08/26, 13:59:21

But India m it's not that good 20/08/26, 13:59:34

And per session will cost like 1lk 20/08/26, 13:59:49

Then medication 20/08/26, 13:59:56

To weaken the antigen 20/08/26, 14:00:05

But isse cancer wagera ka risk badh jata h 20/08/26, 14:00:22

Ayush
hmm 20/08/26, 14:00:24

wtfffff 20/08/26, 14:00:42

I'll love you and be here for you. No pressure, just wanted you to know ❤️

Wtf? 23/08/26, 19:39:14

Your absence or presence is not gonna make things easier or tougher 23/08/26, 19:39:57

What it is will stay as it is 23/08/26, 19:40:08

You dont hv sm aura that will fix everything wherever you go or opposite 23/08/26, 19:40:38

You r js rather too positive or too negative 23/08/26, 19:40:54

That won't do any good 23/08/26, 19:41:03

Ayush
😭 23/08/26, 19:41:14

Dipsy 🦋
So js start accepting things 23/08/26, 19:41:15

Ayush
helllla 23/08/26, 19:41:56

Dipsy 🦋
Does blaming yourself for having absolute zero correlation with it makes things easier for you? 23/08/26, 19:42:21

Then do it 23/08/26, 19:42:31

Who am i to stop 23/08/26, 19:42:36

Ayush

i just love having u in my life baby. even the most random boring days feel a little better when i get to talk to u. and idk how to explain it but being loved by u feels really really special to me.

you're my cutu, my puchu, my favourite person to annoy and probably the only person who can make this dumbass smile this much 😭 i love youuu so much. come here lemme squish u, my cutu lil gandhu bachu🫂❤️ mwahhhhh💋💋💋💋
